

We are dedicated to creating an inclusive online experience for all visitors to LVNDR's website. Our commitment involves adhering to the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA standards to guarantee usability and navigation for individuals with disabilities.

Features to Enhance Accessibility:

Alternative Text:

We include descriptive alternative text for all non-text content, such as images, to ensure that screen reader users can access and understand the information.

Keyboard Navigation:

Our website is designed to be navigated and interacted with using a keyboard, providing accessibility for users with motor impairments.

Clear Structure:

We utilize semantic HTML to establish a clear and logical structure for our website, enhancing interpretability for screen readers.

Color Contrast:

Maintaining sufficient color contrast for text and background elements improves readability for users with visual impairments.

Text Resize:

Users have the flexibility to adjust text size on our website according to their preferences through browser settings.

Feedback and Support:

If you encounter any accessibility challenges or have suggestions for improvement while using our website, please reach out to us at pixelgrems@gmail.com. We are committed to making continuous enhancements to ensure that everyone can easily access our content.

For inquiries or concerns about our Privacy Policy or Accessibility Statement, please contact us at pixelgrems@gmail.com. Your privacy and accessibility needs are significant to us, and we are dedicated to providing a secure and inclusive online environment.
